MEMORANDUM:

MR. HURON:

Application for patent for the N.E.  $\frac{1}{4}$  of Section 10, Township 13, Range 5, West of the 4th Meridian, by R. A. Smith.

R. Smith obtained entry for the N.E.  $\frac{1}{4}$  of Section 10, Township 13, Range 5, West of the 4th Meridian, on the 7th of September, 1907 and performed two terms of residence and four months in the third term in the N.E. quarter, but no cultivation. This land was included in the Cypress Hills Forest Reserve and in April 1911 Mr. Smith was given permission to obtain another quarter section in lieu of the N.E. quarter, and count to his advantage any duties performed on this quarter section. He obtained entry for his present homestead on the 18th of April 1911 and put in two months and eleven days residence on the homestead in that year, broke fifteen acres and cropped seven acres, and cropped twelve acres in the present year. He made application for patent, but as he had performed two terms of residence only and two years of cultivation, his application is not accepted.

The Agent now sends a declaration in which Mr. Smith states that owing to the inconvenience he has been put to in removing from the N.W.  $\frac{1}{4}$  of Section 18, Township 8, Range 1, West of the 4th Meridian, and also the fact that the Department gave him a period of one year from the date of the communication to select other land that he should only be required to perform the balance of the now two months and not a further period of six months.

I would suggest that as Mr. Smith has performed the two months residence in 1911 on his present home and totalling nineteen months residence on the two homesteads, the residence he allowed, but as he did not perform any duties on the N.W. quarter, he should crop next season and then execute supplementary statement.

Respectfully submitted.

Soldier Grant - Thomas Donnelly.  
Entry granted - 7th December, 1918.  
-----

Title to the above land has been  
vested in the Soldier Settlement Board under  
the provisions of the Order-in-Council of the  
4th June, 1921. (P.C. 1321).

Kindly have the necessary action  
taken to have patent for this land issue in the  
name of the Board.

"Before surveying the fifteen acres I consulted Killion and Selkirk and both were anxious I should survey the fifteen acres off as I did. When I finished I took them both over the ground and each expressed himself as perfectly satisfied with what I had done. It gave Selkirk a few acres of high land to build on and Killion a few more acres of hay meadow."

Before Mr. Selkirk's entry might be adjusted to extend to the boundary surveyed by Mr. Vickers it would be necessary to have Mr. Killion re-vest in the Crown the fifteen-acre parcel in the quarter section which was patented to him. Upon such parcel being re-vested a new patent could be issued to him covering the fifteen-acre parcel lying west of the line laid down by Mr. Vickers. This would leave 145 acres in the quarter section available for inclusion in Mr. Selkirk's entry.

"With a view to effecting an adjustment in this instance I beg to recommend that Mr. Killion be requested to re-vest in the Crown by duplicate Certificate of Title the fifteen-acre parcel of patented land in the quarter section and to take in lieu thereof a grant of the westerly 3.757 chains of the quarter section containing 15 acres."

As will be observed the proposed adjustment would involve an exchange of land; however, an exchange of this nature would scarcely be one such as contemplated in paragraph (f) of Section 70 of the Dominion Lands Act, and therefore I do not think that an Order in Council would be necessary.

It should be mentioned that there is an Order on file signed by the Minister vesting the fractional north-east quarter of section 22 in The Soldier Settlement Board of Canada. Accordingly, immediately upon the limits of the entry being adjusted patent will be issued in favour of the Board.

It might also be pointed out incidentally that Mr. Selkirk is interested in acquiring legal subdivision 6 and the north-east quarter of section 22, which land he has also claimed. The question of permitting him to secure this area under the Drainage Regulations is to be referred to the Drainage Service upon return of files. A payment of \$37.05 stands to his credit on account of this land. In the event of a sale in this instance being carried out the question of issuing patent for the parcel will be taken up with the Soldier Settlement Board.

Respectfully submitted,

*W. O. Cole*

Controller.

32 of the Dominion Lands Act, 1908, that authority be given for the sale of the land to Mr. Sinclair, at the rate of four dollars (\$4.00) per acre, payable one fourth in cash and the remainder in three equal annual instalments with interest at five per cent per annum.

*J. H. [illegible]*

Chairman of the party

*Certified copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor General on the 28th January 1910.*

O. A. Memorandum dated 22nd December, 1909, from the Minister of the Interior, stating that Mr. Alex Sinclair made homestead entry for the north-east quarter of section 3, Township 53, Range 18, west of the 5th Meridian on the 7th of April, 1909, and has now made application for patent, claiming continuous residence since the 28th of October, 1906, also the following improvements:-

|                             |          |
|-----------------------------|----------|
| House, .....                | \$350.00 |
| Three stables, .....        | 325.00   |
| 120 acres cleared, ..       | 600.00   |
| 2 1/2 lbs of fencing, ..    | 200.00   |
| 16 acres under cultivation. |          |

The Minister further states that Mr. Sinclair, in making application for entry for this land, made the usual declaration that he had not previously obtained any other homestead, but in his application for patent he admits having already received patent for another quarter-section, namely, the north-east quarter of section 14, Township 53, Range 1, west of the 5th Meridian.

The evidence shows that Mr. Sinclair did not complete the duties in connection with his first homestead before the 2nd of June, 1909, and, therefore, he was not entitled to take a second free homestead.

As Mr. Sinclair obtained entry for the north-east quarter of section 3, Township 53, Range 18, west of the 5th Meridian illegally, but without intent to defraud, the Minister recommends, under the provisions of section

action  
and states no payment has yet been  
made by the claimant.

MEMORANDUM:—Mr. L.B. Taylor,  
Patents Branch.

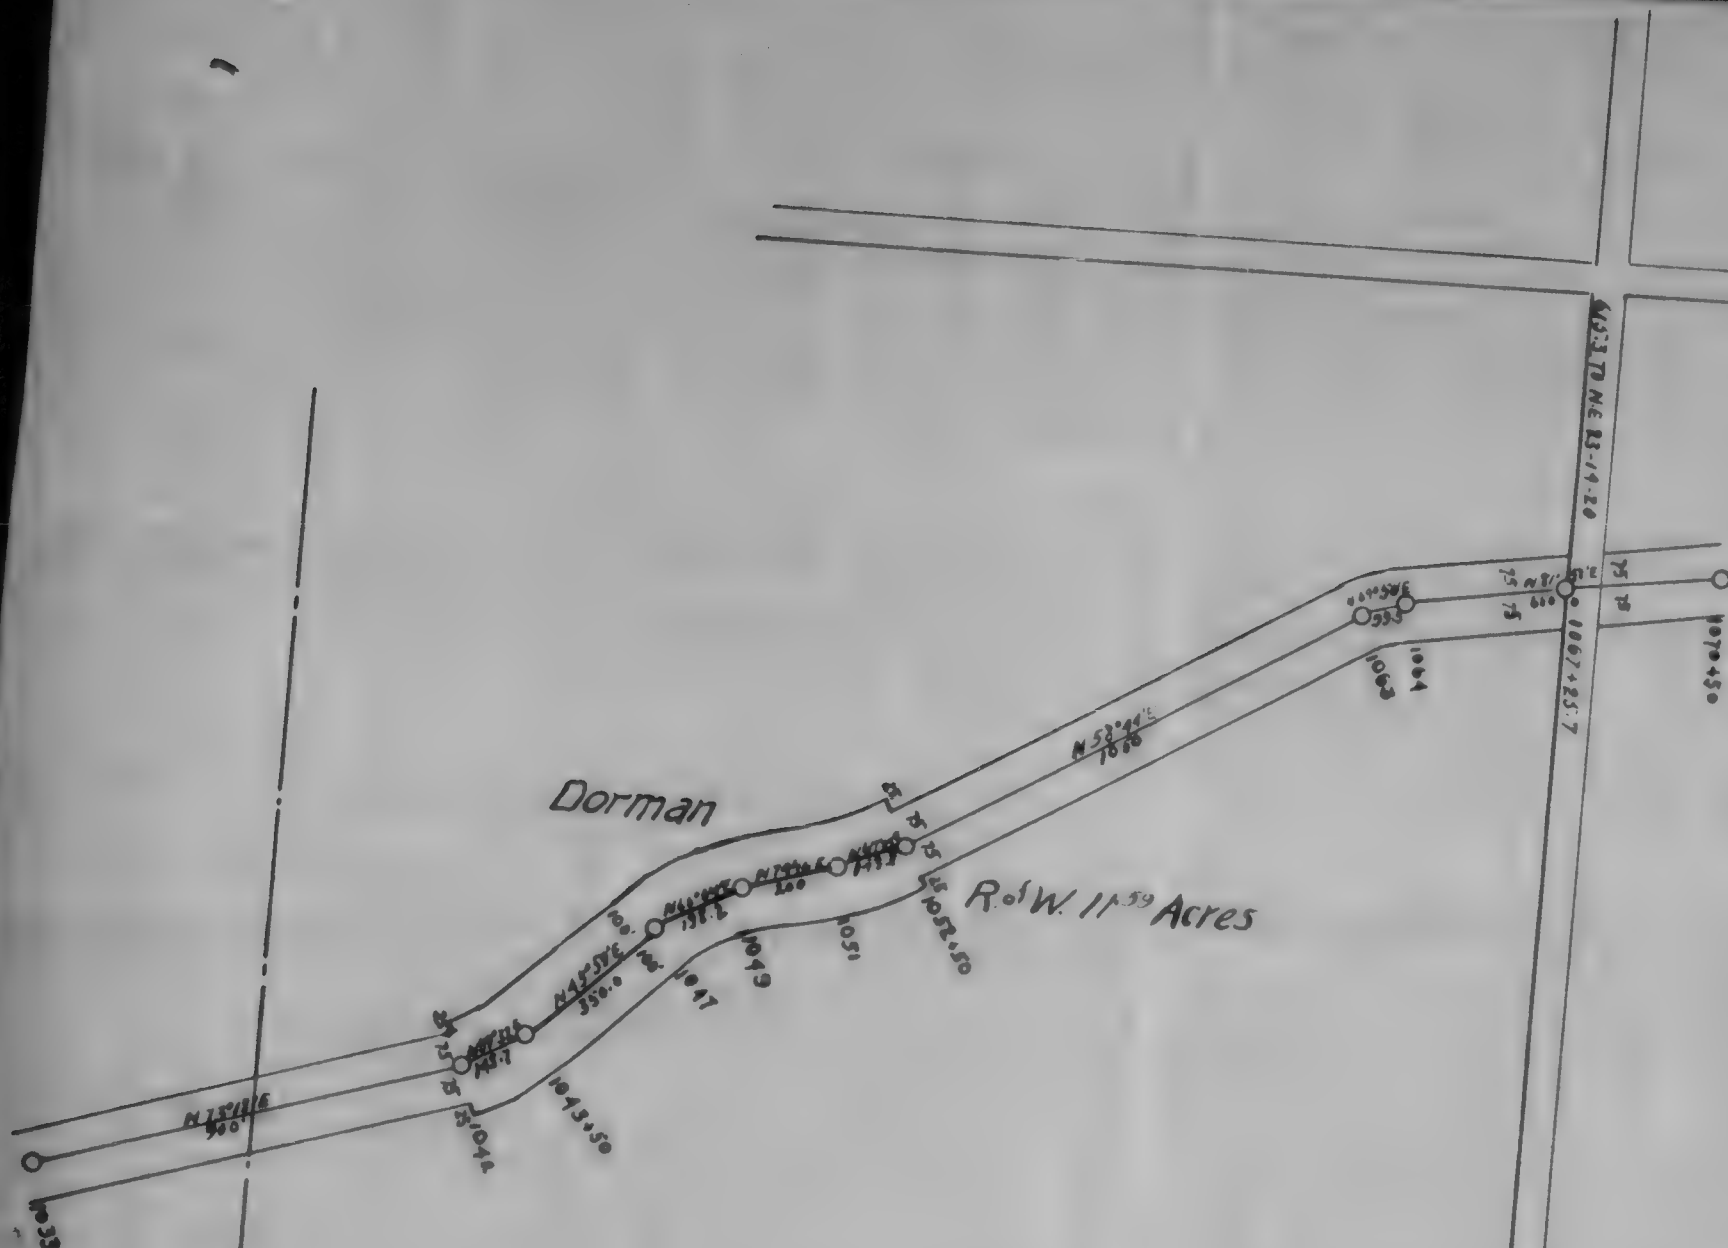

It is assumed that you require File 573332 T.S.I. in connection with an easement executed to Mr. J.H. Brown granting right of way to the Southern Alberta Land Company, Limited, over the N.E. 1/4 of sec. 23-14-20-4 and that patent for this quarter section will not be issued until a License of Occupation, covering the right of way above mentioned has been issued.

The area required on this particular quarter section is over 10 acres (11.59 acres), which makes it necessary to secure the authority of the Governor in Council to grant free right of way to the Company. An Order in Council was recently ~~passed~~ giving authority to grant right of way to the Company over several parcels on which a greater area than 10 acres was affected, but instructions were issued that the Order in Council was not to be granted.

I presume, therefore, that until further instructions are received from the Minister regarding this matter ~~that~~ it will be necessary to withhold patent for the above mentioned quarter section.

Ref. 1582172

WHEREAS a mistake has been found to exist in the body of the Dominion Lands Patent (No. 1582172) for the South West quarter of section Thirty, in Township Thirteen, in Range Seventeen, East of the Fourth Meridian, in the Province of Alberta in the Dominion of Canada, containing by advertisement one hundred and sixty acres more or less, to Joseph Allan Harris, of the said Township, Harris, and dated the Twenty-sixth day of March, A.D. 1911, which by clerical error and wrong description the land thereby intended to be granted is described as above whereas in truth and in fact there should have been reserved thereout a license of occupation in favour of the Southern Alberta Land Company of twenty and two hundredths acres for an Irrigation ditch, as shown upon a plan of the said ditch hereto attached.

Now THIS COME by virtue of the powers and duties conferred upon and vested in me by Section 92 of the Dominion Lands Act, I do hereby direct the said patent to be cancelled and a correct one to be issued in its stead which correct patent shall relate back to the date of such cancelled patent.

Sir:-

We enclose herewith a copy of a letter which we have just written to the Dominion Land Agent at Lethbridge. We would be very glad if you could give Mr. Hunt the opportunity to be re-instated for this homestead. ~~The~~ the homestead adjoins that of his brother and if the homestead of Leonard A. Hunt is cancelled Clement S. Hunt will also abandon his, but it seems rather hard to be cut off like this especially as the young men had everything ready to start for their homesteads and were only waiting for a car. We would be glad to hear from you at your earliest convenience.

As we have already informed you these men are ready with their implements and horses and with a complete outfit to go on these homesteads and they will have them shipped to Medicine Hat just as soon as they are secure in their entries for these homesteads. Re S.E. 14-13-4 W 4th. M. Leonard A. Hunt.  
Re S.W. 14-13-4 W 4th. M. Clement S. Hunt.

We have already written you two letters in regard to the above homesteads which were entered for by the men whose names are written next to the respective quarters. The first of these letters was written on the 31st of October last and we enclosed a copy of a letter which we on the same day sent to the Dominion Land Agent at Lethbridge, Alta. and the second letter was written on the 7th inst. and in this second letter we asked you to send us authority for Leonard E. Hunt (this should have been Leonard A. Hunt as above) to make entry for another homestead. So far we have not received this authority from you. Now as you are aware the fact is that both the above entries were cancelled, but both these men wish to have permission to re-enter for the same homesteads if this is possible. Mr. Leonard A. Hunt, is at present in Medicine Hat and is waiting for word from us giving him permission from you to re-enter for the homestead which was cancelled on him, namely the South East Quarter of the same Section. So far we have not received such permission. Mr. Hunt, has written to us from Medicine Hat that no one else has applied to enter for either of these quarters and he is simply waiting there until you send permission to us for him, or to the Land Office there to permit him to enter for this homestead. Clement S. Hunt, the former or for the other quarter is still here and he does not wish to i.

-----

I beg to advise you that I am in receipt of your application for patent for your homestead, above described, and as the Sub-Agent of Dominion Lands at Medicine Hat on the 1st of April, 1919. This application will be considered of two witnesses, and you should endeavor to have two of your neighbors, who are able to corroborate your statements, appear at this office or the office of the Sub-Agent at Medicine Hat and tender their evidence.

As your residence certificate was performed upon your patented homestead, the North East Quarter of this section, it will be necessary for you to furnish me with proof of ownership of this land. This evidence may be submitted either in the form of the Duplicate Certificate of Title or Registration Abstract, which latter document may be obtained from the Registrar, Land Titles Office, Calgary, upon the payment of the usual fee of \$1.00.

**PLEASE POST IN A CONSPICUOUS PLACE**

#### ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:

- (1) of Canada, and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or;
- (2) of his Majesty or of any of His Majesty's Allies, and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or;
- (3) of his Majesty or of any British Dominion or Colony, and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or;
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or;
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions, barred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

#### Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:

##### CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application reaches before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

##### RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Re: Account of L.H. Hunt  
S.E. 14-13-4-14

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1916, 1917 and 1920 seed grain amounting to \$786.88 was advanced to L.H. Hunt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 786.88        | \$ 1,672.94     | \$ 2,459.82  |

The S.E. 14-13-4-14 was formerly the pre-emption of the debtor whose entry was cancelled on the 11th of August 1925. The land was later re-entered upon by another party and patent issued in his name on the 11th of March 1940, and there is no record of the liens having been registered.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.
